

April 13, 2022

Dear WDC member,

Please be advised that as of the target date April 11, 2022, indicated in my mail to you below, no additional candidates for the Board were put forward by the WDC Members.

As a result, I declare as 'Final' [the attached list of candidates as they appear in the Nominating Committee report](#) that was submitted to me by the Chair of the Nominating Committee.

On May 4th you will receive the ballot with the names of the nominees to the Board with instructions on how to execute your right to vote.

Please do not hesitate to contact me in case you have any questions.

Best,

Udi Sheintal
